

Can't stop the feeling

by Justin Timberlake

1. Match the expressions of the song with their meaning, then find them in the 1st paragraph

To be in the zone _____	A. To feel happy
To have the sunshine in one's pocket _____	B. To do something in a marvelous way
To rock it _____	C. To be completely focused on what's going on

I got this feeling inside my bones
It goes electric, wavey when I turn it on
All through my city, all through my home
We're flying up, no ceiling, when we're in our zone

I got that sunshine in my pocket
Got that good soul in my feet
I feel that hot blood in my body when it drops
I can't take my eyes up off it, moving so phenomenally
Room on lock, the way we rock it, so don't stop

2. Choose the correct words

And under the **lights/nights** when everything goes
Nowhere to hide when I'm **granny/getting** you close
When we move, well, you already **know/now**
So **jazz/just** imagine, just imagine, just imagine
Nothing I can see **but/butt** you
When/where you dance, dance, dance
Feeling good, good, **clipping/creeping** up on you
So just dance, dance, dance. Come on
All those things I **sudden/ shouldn't** do
But you dance, dance, dance
And ain't nobody **leaving/living** soon
So keep **dancing/clapping**
I can't **stamp/stop** the feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance
Come **on/up**

CHORUS

3. Find the hidden word

Ooh, it's something **amiglac** _____
It's in the air, it's in my **odlob**, it's rushing on _____
Don't **edne** no reason, don't need control _____
I fly so high, no **geclini**, when I'm in my zone _____

4. Separate the words

'Cause I got that sunshine in my pocket
Got that good soul in my feet
I feel that hot blood in my body when it drops
I can't take my eyes up off it
Moving so phenomenally
Room on lock the way we rock it
So don't stop

CHORUS x2

Got this feeling in my body (x2)
Wanna see you move your body
Got this feeling in my body...
